## A Word from the Director

Written by Carol Petrina

Our Libraries Rock summer reading program has gone by so quickly. I want to take this opportunity to thank our special guests who shared their talents and expertise with our patrons. Thank you Travis Miller and Kyle Seidl for rocking the block! Thank you Mike Peterson! Elvis is still the King! Thank you Kali Karnopp for sharing your love of all things Dance! Thank you Dorothy Summers for soothing our souls with your harp music. Thank you Dan Fager for sharing your love of music and interesting instruments. Thank you to Linda, Laura, Donna, and Cambrie for planning and executing a fabulous five weeks of programs. Our biggest thank you goes to all the patrons who came to a program or participated in a reading challenge. We hope you had fun! Next year's theme is "A Universe of Stories!"

Come Browse...we finished our rearranging project. We want to make browsing our shelves a fun experience for you. Audiobooks, paperbacks, and our new shelf are in new locations. Come check it out!

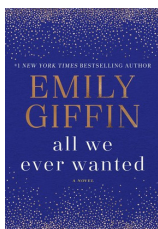

## What's New?

Just because our Summer Reading Programming is over, doesn't mean that we are done having super cool programs for everyone to come to! One of our fun programs this month will be a visit from Kingdom Animalia Exotic Animal Rescue! Jamie from KAEAR is going to bring some of her wonderful exotic animals and teach us all about them. Join us on August 21st at 1PM for this awesome program!
