KEWAUNEE PUBLIC LIBRARY MONTHLY NEWSLETTER

A Word from the Director

Written by Carol Petrina

February is National Library Lover's Month, and I hope you can find something to love in our library. We strive to provide you with new materials that you will love, programs that you will love coming to, and help and resources that you can count on. If you are an animal enthusiast, you will be excited to learn we have a new friend in the library whose name will be announced this month. He is a Betta fish, and he will be a great listener for kids who would like to use our Whisper Reader and read him stories. The Whisper Reader "phone" amplifies the child's voice so they can hear themselves reading. It is a great way to improve reading fluency. It's lots of fun, and our fish will improve his vocabulary along the way!

I want to take this opportunity to thank Xan, Olivia, and Natalie for volunteering their time to make our Family Fort Night a success. We had super spy headquarters all over the library!

All our book clubs are in full swing. Check our schedule and join us!

What's New?

Did you know that February is National Library Lover's Month? Come celebrate with us! We are also celebrating Valentine's Day all month long. We're having a Valentine's Day Card Crafternoon, a SPECIAL Valentine's Day Storytime, and, exclusively for our teens, an Anti-Valentine's Day Party.

Also in the spirit of loving libraries and Valentine's Day, we will have Blind Date with a Book going all February long on our spotlight table. Each book (Childrens, Adult, YA, Nonfiction) will be wrapped up so you can't see the cover and we will put describing words on the front! If the description tickles your fancy, check it out!
