A Word from the Director

Written by Carol Petrina

Summer is flying by, and we are excited to see so many of you stopping in for books and our summer programs. This month features our petting zoo. Stop in from 10:30-11:30 to get up close and personal with some animals. We also have Einstein's Sandbox coming two different days. They are a mobile creative lab that brings fun hands-on experiences and tinkering for all ages. Reading challenge deadlines come up on August 19th so don't forget to turn them in for your prize. We have Hot Spots! If you are in need of some Wi-Fi, come check one out.

Coming to Kewaunee Public Library
