A Word from the Director

Written by Carol Petrina

We spend our first two months of the year crunching numbers for our annual reports. I thought you might be interested in some of the stats. We circulated 48,918 items in 2025, 27,434 of which were children's items. Thank you for your loyal patronage of our library. We love that we could provide these resources to enrich your lives. We also circulated 10,159 electronic materials via Libby and Hoopla. This is over 2700 more items than the prior year. We hope you are noticing the strides the system is making in cutting down wait times for these resources. To those who attend our programs, thank you! We provided 270 programs for various age groups in 2025. If you haven't attended one of our programs, take a look at our calendar and join us! We'd love to have you!
