KEWAUNEE PUBLIC LIBRARY MONTHLY NEWSLETTER

A Word from the Director

Written by Carol Petrina

Summer slide or summer learning loss is a real thing, and we are here to help the children of our community keep learning and growing over the summer months. Studies show that reading four to five books in a summer has a positive impact comparable to summer school enrollment. The great thing about reading in the summer is kids can choose whatever is of interest to them. We have a variety of fiction, non-fiction, and magazines to meet the needs of our area youth.

Check out our family reading challenge! For those who complete the challenge, each member of the immediate family gets a free book from the Friends of the Library Book Store! Hope to see you at our Summer Reading events!

What's New?

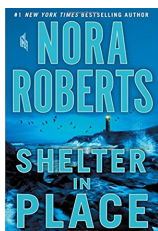

We now have our very own science kits! Thanks to a grant from the Kohler Foundation, we were able to put together 6 STEAM (Science, Technology, Engineering, Arts, and Math) Kits. We are calling this project STEAM by the Lakeshore and the kits include a Backyard Exploration Kit, a Health and Anatomy Kit, a Yarn Crafting Kit, a Makey Makey Kit, a Family STEAM kit, and a Building and Engineering kit.

Each kit is available to be checked out on a one-per-family basis for one week! For more information or if you have any questions, please ask one of our librarians!

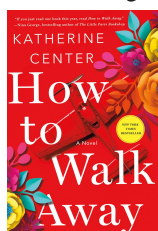

July Staff Picks:

Carol:
Shelter in
Place
-
Adult
Fiction

Cambrie:
How to
Walk Away
-
Adult
Fiction

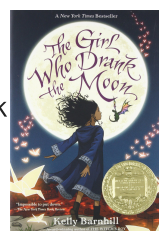

Linda:
A Dog
Named
Doug
-
