

Kewaunee Public Library Wireless Policy

Wireless Internet Connections:

Free wireless Internet access is available at the Kewaunee Public Library. Customers who have personal electronic devices with wireless Internet capability may be able to access a wireless connection from inside or around the perimeter of the Kewaunee Public Library.

Kewaunee Public Library rules and policies regarding Internet use apply to wireless access. In addition:

1. Library staff is unable to provide technical assistance.
2. The Kewaunee Public Library cannot guarantee Internet speed or quality of the connection.
3. The Kewaunee Public Library's wireless network is not secure. Virus, security and privacy protection are not provided by the library and are the responsibility of the patron.
4. The Kewaunee Public Library assumes no responsibility for damage, theft or loss of personal equipment, software, data, files or other personal property used in or around the library facility.
5. Printing from the wireless network is provided by the Kewaunee Public Library during normal business hours.
