KEWAUNEE PUBLIC LIBRARY MONTHLY NEWSLETTER

A Word from the Director

Written by Carol Petrina

May is a quieter month at the library as we switch gears from our regular programming and prepare to bring you our summer reading programs. We have some exciting adult programs to offer you in June featuring Melinda Myers. Watch for more information on these webinars. They are free, but you will need to register. They focus on pollinators since June is Pollinator Month. We want to wish all the moms a special Mother's Day. We thank you for sharing your love of reading with your children and making literacy an important part of your family's life.
